Browsers:

- Since we are a cloud-based software platform, we are compatible with most main browsers including Chrome, Firefox, Safari and Edge.

Mac Options	Safari	Chrome	Mozilla Firefox
PC Options	Edge	Chrome	Mozilla Firefox

**It is recommended that you keep your browser up-to-date at all times for optimal performance.

HARDWARE

This can be difficult to suggest because it depends on the type of computer you have, the browser you use, and even the amount of desk space you have available to you.

As a general rule, Adilas will plug and play with almost any hardware that has a USB connection. However, for those looking for more specific answers, here are some suggestions:

Receipt Printers:

	EPSON MICROS TM-T88 RECEIPT POS PRINTER	EPSON TM-T20III C31CH51001 RECEIPT PRINTER	STAR MICRONICS TSP143IIILAN RECEIPT PRINTER
Connection Type	USB	USB	USB
Compatibility	Windows Printer Driver, MAC	Windows Printer Driver, MAC	PC, Laptops
Printing Technology	Thermal	Thermal	Thermal

Recommended Tools

Cash Drawers

***As a general recommendation, you will want to purchase your cash drawer from the same provider as your receipt printer. Typically, when these two items match in brand, they will be compatible and work best together.*

	EPSON LOGIC CR3000E-GY-J111	STAR MICRONICS CD3	STAR MICRONICS CD4
