We are **experts** in procuring payment processors for cannabis dispensaries.

## Happy Customers

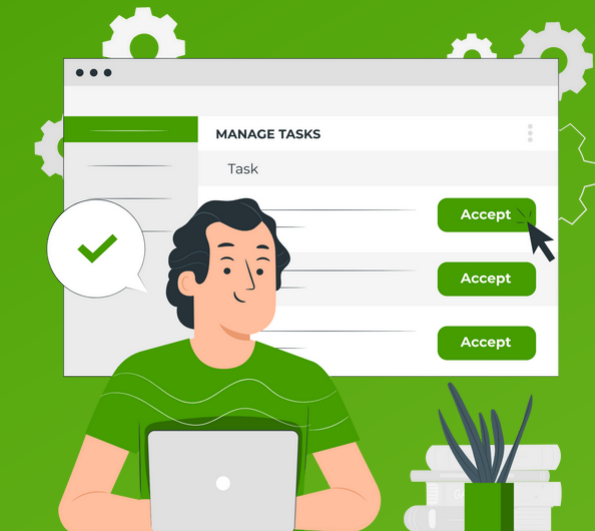

Provide your guests the same checkout experience they would have at any retailer and pay exact amounts for items purchased. No extra steps or out-of-network fees!

## Happy Budtenders

Simple checkout process with no change needed and tips are part of the checkout process. No ID scans or wallet loads!

## Efficient Management

Transactions are processed at exact amounts which eliminates additional reconciliation steps by accounting departments, checkout errors and the cost of daily money for change.

## Pin Debit solutions for your business.

### PIN DEBIT

**Legal and Compliant:** Direct Merchant ID on the TSYS processing network which is fully transparent.

**Sponsoring Bank:** Located in the US and participates in quarterly Federal OCC audits

**Direct Descriptor:** Business name will appear on the guest receipt and bank statement which eliminates customer confusion and chargebacks

**Exact Charge Amounts:** Transactions are not rounded up

**Network Fees:** No out of network fees are applied by the bank
