

5 Headaches of Campground Software (And How Camp Adilas Is Your Remedy)

Are you tired of using basic software based programs that don't include all the bells and whistles? Would you like to have access to your management tools online, from any device, from anywhere in the world? Wouldn't it be nice to have a reservation tool, POS, pay roll and accounting all in one? Look no further than Camp Adilas. In this video we will outline how Camp Adilas can be your cure all!

We've seen the camping industry and we know the headaches that come with the major software programs out there. Camp Adilas is here with the following home remedies:

- 1) Camp Adilas is a web-based program.
 - A. Access it from any device, anywhere, as long as you have Wi-Fi
 - B. User based log-in permissions. Give as little or as much access to the program on a per user basis.
 - C. No need to worry about backing up your database. Adilas has 24/7 secure back-up and review.
 - D. Multiple users can access one single data point at the same time. No more locked records!
- 2) Camp Adilas is mobile compatible.
 - A. Enable our brand new "Auto Check-in" feature so that guests can arrive at your campground, pull directly to their site, check-in on their mobile device and finalize payment.
 - B. Need to escort your guests? No problem. Hosts can be ready with their mobile device, check-in the customer without them leaving their vehicle, then escort to their site. Talk about convenience!
- 3) Camp Adilas has a great Group Reservation feature.
 - A. Secure Group Reservations with ease by assigning Primary reservation holders and Subsequent reservation holders.
 - B. The Primary holder can select multiple sites to add to their cart. No longer will they have the headache of making multiple, separate reservations.
 - C. The Primary holder can pay for all sites upon checkout OR allow subsequent holders to pay for their own sites.
 - C. Subsequent guests are sent an email confirming the order and are given a time frame (assigned by the campground owners/managers - IE: 48 hours) to pay for their site or it will be automatically released.
- 4) Camp Adilas is all-inclusive program, not a la carte. So dig in!
 - A. Stop over paying for a product that doesn't have it all.
 - B. Camp Adilas has the following features already built into the platform -
 - i. Reservation tool
 - ii. POS - Point of Sale
 - iii. Pay Roll
 - iv. Accounts Receivable/Payable
 - v. Invoicing/Quoting
 - vi. CRM - Customer Relation Management
 - vii. e-Commerce
 - viii. Reports and so much more!
- 5) Camp Adilas is user friendly and comes with access to wonderful Customer Support
 - A. We know that as a campground or park owner you are constantly hiring and training new hosts. Why not use a product that easy to learn?
 - B. Camp Adilas has an easy-to-use dashboard interface that can be customized to the same look and feel as your website.
