

ADILAS

Helping our Customers Succeed

*Our many slogans encapsulate
what Adilas is all about:*

- All Data Is Live And Searchable.
- No part too big, no part too small,
Adilas tracks them all.
- Your business, your way.
- Dream it up, we'll wire it up.

ADILAS

WHAT MAKES US DIFFERENT FROM ALL THE OTHERS?

You will have complete control!

Your Data – Your Way

This is why you will save money
and time using Adilas.

ADILAS

Adilas is an actual **ERP system** and includes all of the following:

- Inventory Tracking
- Full Financials
- Payroll
- Accounting
- Expense Tracking
- Calendar
- Customer Relationship Management
- Customer Messaging
- Content Management
- Business Intelligence
- Reporting
- eCommerce Options

and More!

ADILAS

You will have complete control!

Your Data – Your Way

Android? – iPad? – Windows?
Tablet? – Laptop? – Kiosk?

Adilas is completely **Device Agnostic**.

YOU choose what hardware YOU want to use.

This provides cost-saving opportunities.

We can assist you with hardware choices, but you will not be locked into using any hardware.

ADILAS

REPORTING

Any data in your system can be pulled into built-in or custom reports.

Adilas also has a robust history including date and timestamps.

You will be able to track everything.

ADILAS

REPORTING INCLUDED

Many reports are included in the system.

They are downloadable in multiple formats.
